MAEVE OLIVER

Art Deco Palm Wallpaper

A signature artwork in Maeve Oliver's Deco Collection, Art Deco Palm Wallpaper is a stunning monochromatic rendering of overlapping palm leaves, spread across two full sized rolls. The layered leaves will add depth to your interiors and allow you to immerse yourself in a thick, tropical jungle. This design will make your space feel more glamourous and connected with nature, without overwhelming the space with complex patterns or excessive colour. Available in both dark, moody colours and lighter tones, Art Deco Palm can be the finishing touch for an interior project chasing an extra touch of elegance.
