Ticking Stripe (Future Traditions) Wallpaper

Future Traditions reinterprets the classic ticking stripe with a palette designed for contemporary living. Rooted in history, ticking stripes were first seen in durable fabrics for bedding and upholstery, admired for their simple order and versatility. This collection updates the look with fresh, modern hues — from the calming teal of Celadon Drift and sun-warmed Desert Marigold to romantic Heatherfield, grounded Heritage Grove, and earthy Ironstone Clay. Deeper tones like Mulberry Hearth and Seaside Fog bring richness and depth, ensuring the collection feels both sophisticated and versatile. The result is wallpaper that balances timeless rhythm with renewed energy, perfect for modern farmhouse, transitional, or eclectic spaces. Future Traditions keeps the iconic stripe alive while giving it a forward-thinking twist, ensuring it feels as relevant tomorrow as it does today.

ADDITIONAL INFO

Non-woven wallpaper advantages
The most user-friendly wallpaper on the market.

- Sourced from FSC Certified Forests and printed with water-based ink. Non-wovens are earth friendly, and totally 100% vinyl-free.
- Fire rated – Milton & King wallpaper has obtained a Class A ? Group 1 Fire rating. Meaning they are ideal for both commercial and domestic applications.
- Breathable – These high quality wallpapers are breathable, helping them endure mould and mildew conditions. Thus, perfect to decorate bathrooms, kitchens and laundries (direct contact with water is not recommended).
- Paste-The-Wall – Made from both natural and non-porous synthetic fibres. These wallpapers will not absorb moisture from the adhesive. Simply apply the paste directly to the wall. The paper will not expand or contract with no booking time required.
- Butt Join – Also known as a butted seam. The wallpaper rolls are finished precisely to have no overlap. Meaning the panels simply butt up to each other for ease of installation.
- Spongeable – Dirt, dust, and other marks can be cleaned with a slightly damp sponge (do not use any solvents)
- Durable – The Milton & King designer wallpapers are also heard wearing and tear-resistant. This is a great advantage as the wallpapers will not get torn during installation or removal.
- Easy to Remove – Once completely dry, non-woven wallpapers will come off easily. It should come down in full sheets with no need for the dreaded steamer or water. Without causing any damage to the walls upon their removal
- Roll Size – 61.5cm wide x 10m long. Our rolls are the equivalent to a US double roll providing 6 square metres per roll.
