

ROLL DIMENSIONS	24" (61.5cm) x 33ft (10.05m)
PATTERN REPEAT	No Vertical Repeat / Repeats Horizontally Every 6/12 Panels
PATTERN MATCH	Straight Match
FINISH	Pre-trimmed Butt Join
CLEANABILITY	Washable
USAGE	Domestic & Commercial

KINGDOM HOME

Kimberley Mural

The Kimberly mural is a panoramic scene inspired by the majestic Kimberley Forest in Western Australia. One of the world's last, great wilderness areas, the Kimberley Forest is a stunning landscape of rich biodiversity, ancient Aboriginal cultures, and rare wildlife. The Kimberley mural is designed for those seeking a connection with one of the last great frontiers, nestled in the heart of Australia's magnificent terrain.

This mural comes as two parts. Either part can be used as a 6-panel repeating mural, or the two parts can be paired together to create a glorious 12 panel landscape. Each panel is 130□□ (330cm) high x 24□□ (61.5cm) wide.

PART 1: comes as a two-roll set (ROLL A & B). Each roll comes with 3 panels. The horizontal pattern will repeat every 6 panels. Install all of ROLL A, followed by all of ROLL B. When you order one A&B set, you are receiving 6 panels.

PART 2: comes as a two-roll set (ROLL C & D) with 3 panels per roll. The horizontal pattern will repeat every 6 panels. Install all of ROLL C, followed by all of ROLL D. When you order one C&D set, you are receiving 6 panels.

Possible installation configurations include: ABAB, CDCD, ABCD, etc. To calculate the amount you need, first make sure your walls are less than 129□□(3.2m) tall. One part (one set/two rolls) will cover 145□□(3.69m) of wall width. Divide your total wall width in inches by 144□□. This will give you the number of SETS you require. [360□□ ÷ 145□□ = 2.48 (3 sets)]

SUSTAINABILITY

- Made to order within 5-7 days using the latest eco-friendly printing tech. That means no over-production and waste like regular wallpaper brands.
- Our PVC Free wallpaper base is sourced from sustainably managed forests.
- We print all wallpapers using odorless water-based ink. GREENGUARD GOLD Certified to standards for low chemical emissions into indoor air.
- Milton & King's wallpapers are of the highest quality, are environmentally friendly, and totally 100% vinyl-free.

ADDITIONAL INFO

Non-woven wallpaper advantages
The most user-friendly wallpaper on the market.

- Sourced from FSC Certified Forests and printed with water-based ink. Non-wovens are earth friendly, and totally 100% vinyl-free.
- Fire rated – Milton & King wallpaper has obtained a Class A ? Group 1 Fire rating. Meaning they are ideal for both commercial and domestic applications.
- Breathable – These high quality wallpapers are breathable, helping them endure mould and mildew conditions. Thus, perfect to decorate bathrooms, kitchens and laundries (direct contact with water is not recommended).
- Paste-The-Wall – Made from both natural and non-porous synthetic fibres. These wallpapers will not absorb moisture from the adhesive. Simply apply the paste directly to the wall. The paper will not expand or contract with no booking time required.
- Butt Join – Also known as a butted seam. The wallpaper rolls are finished precisely to have no overlap. Meaning the panels simply butt up to each other for ease of installation.
- Spongeable – Dirt, dust, and other marks can be cleaned with a slightly damp sponge (do not use any solvents)
- Durable – The Milton & King designer wallpapers are also heard wearing and tear-resistant. This is a great advantage as the wallpapers will not get torn during installation or removal.
- Easy to Remove – Once completely dry, non-woven wallpapers will come off easily. It should come down in full sheets with no need for the dreaded steamer or water. Without causing any damage to the walls upon their removal
- Roll Size – 61.5cm wide x 10m long. Our rolls are the equivalent to a US double roll providing 6 square metres per roll.
