

MAEVE OLIVER

Bamboo Leaves Wallpaper

The Bamboo Leaves Wallpaper design forms a part of Maeve Oliver's Ginger Jar collection, and is inspired by decorated jars from ancient China, hand-painted with intricate patterns, which have been used for centuries to both transport herbs or spices (hence the name) and as décor in the home. This design features the delicately intertwining branches and leaves of bamboo, which is a symbol of strength, flexibility, luck, and longevity. Bamboo Leaves Wallpaper would suit interiors looking for a subtle botanical feature, like entryways or foyers, and would pair well with similarly inspired décor.
