# Blended Butterfly Wallpaper

Blended Butterfly Wallpaper is a collaged vintage design that will bring a classic elegance to any space. Featuring two beautiful butterflies carefully intertwined to make one, with a soft lemon yellow palette. The butterfly's delicate, fine line work and gentle colours would add a sophisticated charm to a kitchen space, living room, bathroom detail or in a girl's bedroom. This is a calm, serene design that has a graceful elegance. Inspired by vintage European sitting rooms, this is a unique dainty design. The light colours mean this design is perfect to brighten a dark space, or equally would look beautiful in a bright airy room of neutral palette to create a relaxing haven.
