Cranes Metallic Wallpaper

This stunning Cranes Wallpaper was inspired by traditional Japanese hand-painted Byobu gold silk folding screens and the union of landscape and fauna typical of Ukiyo-e art. The form of the crane, often referred to as the Bird of Happiness and a symbol of good fortune, soars regally amongst gilded clouds. Accented with luminous gold metallic detailing, this large-scale design forms an exotic and monumental bird wallpaper that delivers undeniable luxury and drama to an interior.

BATCHING & DELIVERY

- Note: Samples of this wallcovering are provided for review of the material, pattern scale and print technique – they are not intended to be used for colour matching purposes. There can be slight shifts in colour between runs, so your wallcovering may vary slightly from sample colouring.
- Please ensure that you order the correct amount as we do not guarantee that rolls printed in different batches will be an exact match.
- Industry leading production times on all orders.
