

MAEVE OLIVER

Daintree Palm Wallpaper

A soft and subtly shifting design, Daintree Palm is an Australiana inspired wallpaper created by in-house artists from Maeve Oliver and forms a part of their Deco Collection. The print features delicate stylized prints of palm fronds, similar in appearance to pressed botanicals. Named for the iconic palm tree of the same name that can be found in tropical North Queensland, Australia, this design is an easy and stylish way to add a subtle elegance to both residential and commercial interiors without eclipsing the space.
