

MAEVE OLIVER

Dancing Brolgas Wallpaper

Sometimes referred to as the ‘Australian Crane,’ Brolgas are a tall, slender bird native to the wetlands of tropical and south-eastern Australia. The Dancing Brolgas Wallpaper from Maeve Oliver is directly inspired by the iconic courting dance that the birds are known for, recreated in an Art Deco style to form a part of the Deco Collection. These majestic creatures and delicate palm fronds will make a striking addition to both commercial and residential interiors. Available in Indigo, Forest Green, Powder Blue and Brass, this design can be styled in both moody and light spaces.
