

KATIE O'SHEA

Deep Sea Wallpaper

Deep Sea Wallpaper features a pattern that is the cornerstone of the underwater themes by artist Katie O'Shea. It fully embodies the love of scuba diving and all the magical life that we can explore while under water. This wallpaper is a celebration of adventure and in awe of ocean life. The pattern flows as if you are immersed in a kelp forest surrounded by curious sea creatures like jelly fish and sea turtles. Enjoy this design for your coastal retreat or vacation home as a centrepiece statement. With many colours to choose from in different shades of blues and greys, it would pair well with pops of colour.

ADDITIONAL INFO

Non-woven wallpaper advantages
The most user-friendly wallpaper on the market.

- Sourced from FSC Certified Forests and printed with water-based ink. Non-wovens are earth friendly, and totally 100% vinyl-free.
- Fire rated – Milton & King wallpaper has obtained a Class A ? Group 1 Fire rating. Meaning they are ideal for both commercial and domestic applications.
- Breathable – These high quality wallpapers are breathable, helping them endure mould and mildew conditions. Thus, perfect to decorate bathrooms, kitchens and laundries (direct contact with water is not recommended).
- Paste-The-Wall – Made from both natural and non-porous synthetic fibres. These wallpapers will not absorb moisture from the adhesive. Simply apply the paste directly to the wall. The paper will not expand or contract with no booking time required.
- Butt Join – Also known as a butted seam. The wallpaper rolls are finished precisely to have no overlap. Meaning the panels simply butt up to each other for ease of installation.
- Spongeable – Dirt, dust, and other marks can be cleaned with a slightly damp sponge (do not use any solvents)
- Durable – The Milton & King designer wallpapers are also heard wearing and tear-resistant. This is a great advantage as the wallpapers will not get torn during installation or removal.
- Easy to Remove – Once completely dry, non-woven wallpapers will come off easily. It should come down in full sheets with no need for the dreaded steamer or water. Without causing any damage to the walls upon their removal
- Roll Size – 61.5cm wide x 10m long. Our rolls are the equivalent to a US double roll providing 6 square metres per roll.
