

MAEVE OLIVER

# Desert Rose Wallpaper

Desert Rose is a stunning, intricate wallpaper design featuring cockatiels perching among beautiful Australian florals. The subtle shift in colours and layers of the artwork creates the illusion of depth, which will make your interior feel more spacious and open. It is perfect for rooms on the smaller side or any space chasing a touch of nature. This design forms a part of the Queensland, Australia-inspired Auchenflower collection and is available in four colourways, ranging from a soft yellow-gold to a deep blue-grey.
