

BETHANY LINZ

Fern Wallpaper

The Fern Wallpaper features a weaving in-and-out pattern that appeared in a lot of wallpaper designs in the 1700's. The artist, Bethany Linz, decided to strip back the florals from the design and simply take the foundations as her inspiration. Like all of Bethany's designs, she hand-painted first, creating a more organic pattern with rough textures. The design is both raw and timeless. Available in 6 colourways, including Beige, Salmon, Blue, Green, Grey and Pink, the Fern design is the artist's most favorite of The French Collection.
