FOLKLORE & FLORA

Holy Kereru Wallpaper

The New Zealand wood pigeon or Kereru is such a lovely bird with its big white belly and iridescent green feathers. The artist of this bold wallpaper design observed & drew the delicates vine flowers in this artwork during a warm morning at the beach where she lives in South Taranaki and knew it would find its place amongst the artwork. This pattern evokes a fresh morning breeze flowing through the flowers & leaves.

To dream about a pigeon is a symbol of peace & good and means you can sleep soundly. The Kereru with its calm nature brings along with it a sense of nurture and kindness. They are also a strong symbol of motherhood and can represent the love & connection you have with your family and children.
