MILTON & KING STUDIO

Osier Vinyl Wallpaper

Inspired by the rhythm of traditional basket weaving, Osier Vinyl Wallpaper arranges hand-painted lines into alternating blocks. The shifting direction of each square creates a structured, woven effect, while irregular edges reveal the hand behind the artwork.

A textured vinyl finish adds tactile depth and strengthens the design's connection to natural fibres and crafted surfaces. Available in Loch, Oat and Walnut, Osier works across full rooms or feature walls, bringing order, movement and an artisanal character to high-traffic interiors.

BATCHING & DELIVERY

- **Note:** Samples of this vinyl are provided for review of the material, pattern scale and print technique – they are not intended to be used for colour matching purposes. There can be slight shifts in colour between runs, so your wallpaper may vary slightly from sample colouring.
- Please ensure that you order the correct amount as we do not guarantee that rolls printed in different batches will be an exact match.
- Industry leading production times on all orders.
