Peacock Garden Wallpaper

Embrace the elegance and luxury of Peacock Garden, a charming design inspired by traditional tapestries and artwork from the Mughal Empire of South Asia. This design seamlessly blends antique art styles with the ornate beauty of the late-19th century Arts & Crafts movement's iconic repeating patterns.

This large-scale design was created in our UK studio to capture the delicate beauty of India's native flora and fauna, including the majestic peacock, the country's national bird. Each motif is a blend of style and culture which evokes the magical allure of a palace garden. Create your very own serene sanctuary with the rich, sophisticated beauty of this hand-painted masterpiece.

Manufactured as a double width design (set) requiring 2 rolls, A+B to complete the horizontal repeat. One set is equivalent to 132 sq.ft or (12 sqm).
