

MAEVE OLIVER

Peonies & Peacocks Wallpaper

Inspired in part by the Chinoiserie and Rococo styles popularized in Europe in the late 16th and 17th centuries, the Peonies & Peacocks design from Maeve Oliver's Jewel collection is a wonderfully intricate artwork featuring charming peacocks nestled amongst various plant life. The gorgeous scrolling curves of the vines and florals create the illusion of motion, while the intricate details create a sense of intimacy, making this design the perfect addition to both small and large spaces.
